

## Dominated

Sick of It All

Out of touch with autonomy  
Guided from the outside  
DOMINATED  
Free with trust  
Passive to a fault  
Sniffed out and suckered in  
DOMINATED  
So much strength  
Necessary to deal  
With the everlasting shit storm

LOSE YOURSELF - take a blind position  
LOSE YOURSELF - powerless condition  
LOSE YOURSELF - in this oppression  
LOSE YOURSELF - just accept DOMINATION

Turned around on autonomy  
Guided from the outside  
DOMINATED  
Character in question  
Confidence destroyed  
Resignation handed in  
DOMINATED  
Wake up stressed  
Far more often than not  
To the realization that life's fucking shot  
SHOT, SHOT, SHOT  
Life's fucking shot, SHOT, SHOT, SHOT

And now the poison is spreading outwards 'cause it can't strike  
in much more  
And the innocents forced to share it must accept they also lose  
the same control  
So lost  
Stripped bare  
So DOMINATED
