We, we got you in our sites, so keep moving move  
along cause we will NEVER BACK DOWN

You gotta, gotta get up

We gotta, gotta stick together  
and keep freedom in our sites  
We gotta, gotta get up  
stand up get up  
stand up, stand up for our rights

Hey WAKE UP,  
the time is now to let them know we'll

NEVER BACK DOWN

We pledge allegiance to the fight,  
down to the very last one we will  
NEVER BACK DOWN  
You gotta, gotta get up get up stand up  
stand up FIGHT FIGHT FIGHT  
We gotta, gotta stick together  
and keep freedom in our sites  
We gotta, gotta get up stand up get up  
stand up, stand up for our rights

We, we came to fight,  
down to the very last one  
If that's what it takes to keep our rights
