

## No Cure

### Sick of It All

No cure, no end in sight  
No cure for poisoned minds  
No change, no change, after all this talk still living foul  
Ignorant, Ignorant, you think we would've learned by now  
Over and over same mistakes as before  
No end, no end, look around no end in sight

When the damage done is too extensive  
Everyone ignores consequences

Hatred, hatred, the only thing we give ourselves  
Heartless, heartless, no regard for anyone else  
Sickening, sickening, the way that greed rules our lives  
No cure, no cure, for the disease called mankind

Look deep inside - for the cure to what ails mankind  
Look deep inside - we've got to live a more righteous life  
Look deep inside - can't change the world  
but you can change yourself...
