

# Give Me A Reason

Sick of Sarah

I'm staying up all night  
I've got the keys to my car in drive  
I don't know why  
I'm staying up all night

You and I  
I got better things to do with my time  
You and me  
We see eye to eye  
But my colors are still blind to you  
'Cause you see what you want to see  
I see where I got be and  
You and I, yeah

Give me a reason why I should stay  
Should stay  
Give me a reason or I'll go away  
Away

And I'm staying up all night  
I've got the keys to my car in drive  
Drive well I don't know why  
I'm staying up all night

You and I  
I got better things to do with my time  
You and me  
We see eye to eye  
But my colors are still blind to you  
'Cause you see what you want to see  
I see where I got be and  
You and I, yeah

Give me a reason why I should stay  
Should stay  
Give me a reason or I'll go away  
Away

You don't know what I'm all about  
You don't know anything  
You don't know what I'm all about  
You don't know anything  
Quit falling in love again

You and I  
I got better things to do with my time  
You and me  
We see eye to eye  
But my colors are still blind to you  
'Cause you see what you want to see  
I see where I got be and  
You and I, yeah

Give me a reason why I should stay  
Should stay  
Give me a reason or I'll go away  
Away

Got to give me reasons  
Why I should stay  
Or I'll go away, away, away
