

## A Song About A Rabbit

Sicko

Good shot Peter  
I hope you go far  
Cause there's a rabbit wearing coveralls playing in my front yard  
you do the two step Peter  
And you make it look good  
Cause there's a bear watching you from the edge of the hundred acre wood  
(the bear, he said)  
Peter  
in a snow storm Peter  
And two straight lines  
Holding hands yellow hat red hair her name was Madeline  
(her name was Madeline)  
Peter  
I remember you Peter  
And all of the rest  
From the stories that a dreamy eyed baby boy loved the best  
so in the moonlight Peter  
Where the wild things sleep  
You and a boy in a wolf suit dancing by the side of the sea  
(they said...)
