

## C'mon Everybody

Sid Vicious

Well c'mon everybody and let's get together tonight  
I got some money in my jeans  
And I'm really gonna spend it right  
Well I've been doin' my homework all week long  
Now to have some fifty and my folk are gone

Ooh! C'mon everybody

Oh well, my baby' number one  
But I'm gonna dance with three or four  
And the house will be shakin' from the bare feet  
A-stampin' on the floor  
Well when you here the music, you can't still  
If your brother won't rock, your sister will

Ooh! C'mon everybody

Oh well, we really haven't money  
But we gotta put a guard outside  
If the folks come home  
I'm afraid, they're gonna have my hide  
There'd be no more movies for a week or two  
No more runnin' round with the usual crew-who cares?

C'mon everybody
