

Will I Ever

Side A

I heard you for so long
And the promises you made
Keep me hanging on
Don't know why
I've got to know
Is this love enough to show it
Let it go

Will I ever get to heaven with you?
Will I ever breath the air that you do?
Will I ever touch the angels?
Will we fly?
Will I ever?
Will I ever get to heaven with you?

Another night starts to fall
And the wind carries me
When I wanna crawl
?Coz when I look inside
There's a fire in me
That I can't hide, who

Wishin? for an angel
Searchin' in my mind
Getting tired of waiting in me
Praying
