Help Me Find It

Sidewalk Prophets

I don't know where to go from here It all used to seem so clear I'm finding I can't do this on my own I don't know where to go from here As long as I know that You are near I'm done fighting I'm finally letting go I will trust in You You've never failed before I will trust in You [Chorus:] If there's a road I should walk Help me find it If I need to be still Give me peace for the moment Whatever Your will Whatever Your will Can you help me find it Can you help me find it I'm giving You fear and You give faith I giving you doubt You give me grace For every step I've never been alone Even when it hurts, You'll have Your way Even in the valley I will say With every breath You've never let me go I will wait for You You've never failed before I will wait for You [Chorus] I lift my empty hands (come fill me up again) Have Your way my King (I give my all to You) I lift my eyes again (Was blind but now I see) 'Cause You are all I need

[Chorus]
