

Etheons departed, fallen from grace  
Black winged and chained to stone  
Bound by flaming magic  
Dreaming demon undead  
Like a solstice dragon, conquering the day

Infernaliia  
Blesses angels undivine  
Infernaliia  
Condemned to rise again

Etheons crowned, fallen from grace  
Abusing the wisdom of the underdark  
Unleashed by flaming magic  
Undead demon call  
Chaos blinds the banned  
Weakened sinners weep

Shadows expanding  
Slithering darkness arise  
Conjuring masters praying  
Calling blackened sky  
Shadows expanding  
Slithering darkness side by side  
Nocturnal masters calling  
Preparation of the ghost

Vultured beasts, forced in anger  
Wrath of Caouldran, fires high
