

Apocalyptic Disposition

Sieges Even

Call to arms, call to arms, antiquated symbol of
brutality
Join the forces, join the forces - learn your lesson in
annihilation
Accept the peace, accept in unconcerned -maintainin'
political philosophy
Contribute your best, contribute your best and follow
the doctrine-conformity

Sophisticated theories of strategy - accepting the war
Awaiting the nuclear blow - as Nostradamus has forseen!

Brave criticism, rationality
Serve the doctrine of strength and force, apocalyptic
disposition
Fatal attitude - leading us to death
The grand illusion - apocalyptic disposition
Accept this paradox, immortal attitude, phrasemongers
leading us to hell
Don't mind your rotten spirit, don't mind your rotten
spirit - keepin' the world war calculation
Guard the simple Catechism-Darwinism-1999, welcome and
advancing
Macho attitude - those who want to see the earth as a
big Arlington!

Accumulate the overkill potential, a paranoid phobia
Built the nuclear time bomb - the conventional battle
potential

Brave criticism, rationality
Serve the doctrine of strength and force, apocalyptic
disposition
Fatal attitude - leading us to death
The grand illusion - apocalyptic disposition
