

Rise And Shine

Sieges Even

Nothing more left to be said things get clear now in my head
u know what I feel I know what is real no more waiting for a si
gn
we both laid it on the line there's no alibi I have to face the
sky
leaving your life - entering mine I conclude the wintertime
stranded by the tide I'll get by gotta keep u out of my head
have to keep on forgetting what you said accepting - gosh I hat
e the word
but I will rampant weed won't obscure my way while I rise and l
eave the shade
I turn over the page have to take my thoughts from u
I need to get a different view I'm leaving it behind rise and s
hine
I cannot take it anymore pleasant memories I've got to ignore
I'm coming back: it's my comeback I'm leaving the old track cut
gotta keep u out of my head other contents I'll put in instead
the die is cast; trancent the past - moving on
rampant weed won't obscure my way while I rise and leave the sh
ade
I turn over the page I cannot take it anymore
pleasant memories I've got to ignore I'm coming back; it's my c
omeback
I'm leaving the old track the clouds that had me blind and gone
my hands untied; the knots undone I think I can make it now
yeah - I'm sure I'll make it now
