

I will pose a question  
Whether I am good enough to face this scary world!  
I know that if I find a way through this!  
I will just prevail and be shown the way!  
But maybe not as my own worst enemy's myself!  
And I know my strengths and weaknesses alike!  
All I can do is attempt and I can do is try!

But my strength can also be my worst weakness!

I keep on running and running in circles  
Always trying to find my feet  
Stand up tall and strong  
Whoa! Whoa!  
I don't know if I needed guidance  
Or if I really have the strength to take on everything  
Whoa! Whoa!

I am struggling to find a reason!  
Why I can prevail as I can't explain it to myself!  
I don't know if I can do this!  
I don't know if I can beat this!  
I don't know if I can achieve this!  
I don't know if I am right for this!

But my strength can also be my worst weakness!

I keep on running and running in circles  
Always trying to find my feet  
Stand up tall and strong  
Whoa! Whoa!  
I don't know if I needed guidance  
Or if I really have the strength to take on everything  
Whoa! Whoa!

I don't know my strength, I know my weakness!

There's no way that I can do this!  
There's no way I can face this on my own!  
I know that I can't do this!  
But I will use this chance I've been given!

I don't think that I can do this...  
I don't think that I have the confidence...  
I do not have the strength or anything I need to keep moving on!

I know that there's a chance that they see something that I don't!  
But I don't have the strength to take on everything I know!  
I don't know if I can do this! (Whoa!)  
I don't think that I have the confidence! (Whoa!)  
But maybe they see something (Whoa!)  
Maybe they believe in me!
