

Sooner Or Later

Sienna Skies

I will keep on climbing, I am almost there!
I will keep on fighting against the feelings of corruption!
There was once a time where I was down in the dumps!
And now my chances are limitless, I have the chance to take it further!

(2x)

Fighting against temptations of corruption!
Try to let go, let go of all the demons!

I need to stop reaching higher before it ends up taking me!
Drowning me in deeper water I need to set myself free!
I need to let go of the demons, I need to be content!
And now I have my chance, I'll show that I'm the best!

(2x)

Fighting against temptations of corruption!
Try to let go, let go of all the demons!

Sooner or later, this may just take me in!
I know that I can be stronger, I may just need my friends!
I will need the ones I love to help keep me grounded!
I won't just float away, if you can keep me grounded!
Sooner or later this may consume me!
I know that I am stronger if you can just help me!

I know I won't float away!
So please just hear the words I say!
I will need the ones I love!
I will need the ones I love!

I know I will stay grounded, I know I will!
I know I will stay grounded, I know I will stay grounded!
I will need the ones I love, I know I will stay grounded!
I will need the ones I love, I know I will stay grounded!
