Only My Heart

Sierra Hull

Baby hair with a woman's eyes I can feel you watching in the night All alone with me and we're waiting for the sunlight

When I feel cold you warm me When I feel I can't go on you come and hold me It's you and me forever

Sara smile, won't you smile a while for me

If you feel like leaving you know you can go But why don't you stay until tomorrow? And if you want to be free, all you have to do is say so

When you feel cold, I'll warm you And when you feel you can't go on, I'll come and hold you It's you and me forever

Sara smile, won't you smile a while for me
