

Far Away

SIG:AR:TYR

Let me take you far away
Where the ravens fly
And the valkyries cry

Let me take you far away
Where the gold halls gleam
and Allfather dreams

Far Away... Far Away...

Let me take you far away
Where the high-ones meet
At the One-eye's seat

Let me take you far away
Where Baldur sleeps
And all creation weeps

Far Away... Far Away...

Let me take you far away
To the mountains high
That reach the sky

Let me take you far away
To the stars that shine
At the end of time

Far Away... Far Away...
