

## Far Away

SIG:AR:TYR

Let me take you far away  
Where the ravens fly  
And the valkyries cry

Let me take you far away  
Where the gold halls gleam  
and Allfather dreams

Far Away... Far Away...

Let me take you far away  
Where the high-ones meet  
At the One-eye's seat

Let me take you far away  
Where Baldur sleeps  
And all creation weeps

Far Away... Far Away...

Let me take you far away  
To the mountains high  
That reach the sky

Let me take you far away  
To the stars that shine  
At the end of time

Far Away... Far Away...
