Severed Ways

Prey on the helpless Punish those different Make them regret Their own existence

Cannabalistic urge Consummate the dead Inferior way of life The massacre spreads

Lover and victim One and the same Unholy ritual Severed ways

Human waste displayed Sickness wells up inside Trying to kill a part of yourself While the innocent die

When the terror is over Images burn in our mind The horrors committed Live forever as a sign

Lover and victim One and the same Unholy ritual Severed ways
