Who is this lost soul?

I wanna fly, 10 000 million lite years thru the sky And u, know
me well, expanding young demanding future hell Sometimes I fee
l just like an alien Sometimes I just wanna be me Tear me apart
, rip thru my heart Give me your soul and be set free

I mutant gene, almost human swingin so obscene I wanna see, my
prophecy, my legacy reign free Sometimes I feel just like a sup
erman Ye elegant angels can u set me free Hey alien christ, I'l
l be yours tonite Give me your soul and be set free

I chase the man, who feeds on lust n hunger baby you can I wann
a dream, its chaos callin watch the future scream Sometimes I f
eel like a chameleon Forever changin, each n every way I'll be
your christ, christ I'm so divine Hip hip, hello, hooray!

I wanna see, my prophecy, my legacy reign free I am your sin, m
y servants friends This is the end you're in

Sometimes I feel just like an alien Sometimes I just wanna be m
e Tear me apart, rip thru my heart Give me your soul and be set
free

Sometimes I feel just like an alien Sometimes I feel just like
an alien Sometimes I feel just like an alien Sometimes I feel j
ust like an alien

Like an alien Like an alien Like an alien Like an alien
