

Frankenstein Cha Cha Cha

Sigue Sigue Sputnik

She's my silicone sensation
She's my secret transformation
My sex creation built to bid the cry
Frankenstein Frankenstein
Beware of the imitation
All I want is easy action Frankenstein
She's a soft-eyed Cinderella
She's the beastie Barbarella
Tell her she's a gift from Frankenstein
Hey hey Frankenstein
Hey hey Frankenstein
Hey hey thank you Frankenstein
And if I asked you
And if I asked you
Is she half as twice as nice as Frankenstein

Like a Mona Lisa
A sex changed Amnesia
Scrooge, I wanna be my Frankenstein

Hey hey
Frankenstein Frankenstein
God I wish that you were mine
The backstage never looked so so divine

Hey hey Frankenstein
Hey hey Frankenstein
Shoo, shake
And sending shivers down my spine
Hey hey Frankenstein
What's waiting I haven't got the time
