Shake baby shake
Shake it baby shake it
It's my life don't take it
So shake oh baby shake
Fire bomb fury
Sex bomb rape
Cocaine jury one-eyed jake
So shake oh baby shake
So bomb ahead
Bomb Japan
Bomb Afghan and Pakistan
Argentina and Iran

Let's go-go M.A.D.
Shake baby shale
Shake it baby shake it
SS 20 shake it, SS 20 shake it
Cuba don't you fake it
It's my life don't take it
So shake baby shake
So bomb ahead
Bomb Japan
Bomb Afghan and Pakistan
Argentina and Iran

Rocket disco satellite
Oh movie goers what a sight
Well don't get hard in my back yard

Well you never lost a war
By being too strong
And you're never too strong
When you've got the bomb
Let's go, go M.A.D.
You drop yours
And I'll drop mine
