

## All Alright

Sigur Rós

I want him to know  
What I have done  
I want him to know  
It's bad

I want him to know  
What I have done  
I want him to know  
Right now

It may be this time tomorrow  
Or maybe today  
It is not right  
Now it's better  
Now we'll know  
Now he'll know what I have done  
I'm sitting with you  
Sitting in silence  
Listening to birds  
It feels like home

Singing in tune together  
A psalm for no one  
They sing in tune  
"Birdlove - it's strong"

They sing into the night  
They sing on for me  
They sing into the night, and

[hopelandic]

You...  
You are still next to me, alright
