

Be True To Your School

Silage

When some loud bragger tries to put me down
And says his school is great
I tell him right away
Now what's a matter, buddy

Ain't you heard of my school
It's number one in the state

Be true to your school now
Just like you would to your girl or guy
Be true to your school now
And let your colors fly

I got a letterman sweater with the letter in front
i got the football and track
I proudly wear it now
When I cruise around the other parts of the town
I got my decal in back

On Friday we'll be jacked up on the football field
And we'll be ready to fight
We're gonna smash 'em now
My girl be workin' on her pom-poms now
And she'll be yellin' tonight

Push 'em back, push 'em back
Way back
