A Little Respect

I tried to discover A little something to make me sweeter Oh baby please refrain From breaking my heart I'm so in love with you I'll be forever blue That you give me no reason Why you're making me work so hard That you give me no That you give me no Well you give me no No you give me no Soul, I hear you calling Oh baby please, give a little respect to me... And if I should faulter Would you open your arms out to me We can make love not war And live with peace with our hearts I'm so in love with you I'll be forever blue What will led you no reason Could drive a man to forsake his lover Don't you tell me no Don't you tell me no Well you give me No, no you give me no Soul, I hear you calling Oh baby please, give a little respect to me... I'm so in love with you I'll be forever blue That you give me no reason Why you're making me work so hard That you give me no That you give me no Well you give me no No you give me no Soul, I hear you calling Oh baby please, give a little respect to me... I hear you calling Oh baby please, give a little respect to me...
