We

She doesn't know how much she helped me to grow And the words are lost in my mouth She taught me to look inside myself and she Doesn't know how much I hurt myself She and me Me and she We aren't we anymore She and me we don't talk much it's true We just don't talk that isn't new She doesn't know how happy she makes me whem she Talks to me I fly away She and me Me and she We aren't we anymore
