

## By Your Side

Silencer

I'm here for you girl for whatever you need  
I'll stand by your side  
Girl, for you I'll bleed  
Nobody else can come between you and me  
Only if you love me then forever we'll be  
Lost in love, unconditionally  
But girl you gotta let me know how much you care  
How much you really love me  
Cause our love is rare  
I'll swim the deepest seas  
Take you out and buy you things  
Anything for you  
Girl I wanna let you know baby I love you  
But if you trust in me I'll put my trust in you  
And if you love me too then baby what would you do?

OoOoOh what would you do (3x)

Would you hold me closely  
In this time of need would you be there for me  
Would you remain by my side  
Through these rough times and keep your hopes alive  
I know you're there for me  
I'm here for you too baby confide in me  
Would you faithfully stay by my side  
Until the day I die?

Babydoll listen to me and stay with me  
And baby you will see  
So many things that I can do cause you're my fantasy  
You know i'm stayin dedicated when it comes to you  
I'm thinkin about you cause you know  
I wanna be with you  
You're tellin me I give you my corazon baby  
You better be tellin the truth and keep it real  
Thats if you love me  
We'll listen to oldies  
You're takin the time to get to know me  
Just love me slowly  
And don't you never leave me lonely  
Cause I will never be the same if you would let me go  
I'd rather die  
Babydoll I just want you to know  
It's all for you  
You know i'm always stayin true  
Just listen to my song cause this ones dedicated to you

OoOh what would you do (3x)

In this time of need would you be there for me  
Would you remain by my side  
Through these rough times and keep your hopes alive

Would you faithfully stay by my side  
Until the day I die?

Baby if you love me  
Tell me

So I can feel it in my heart  
And know that I am yours  
Will you do anything for me  
Like hold me closely  
At those times i'm feelin lonely  
Girl just know understand  
And comprehend

Thick and thin until the very end  
But I really need to know  
If I can count on you  
Trust you with my life  
So I can have a child with you
