Hide Away - Man Is Comin'!

World was born in endless night, In million years we got the light, The mountains coming and the seas, Earth and heaven harmony Animals were born to live, Trees and plants had much to give, But when man came there was fear -Their creation was the tears

Hide away now, man is comin'! It's the time now, you'll be running For your life (2 times)

Thousand dreams about the die As the world begins to cry loneliness is all around In the air a silent sound

Tears are falling from the sky, Weeping souls begin to fly In the skies of no return Searching for a better world **Silent Circle**
