

## Sib Dub Dua

Silent Circle

Sib dub dua, sib dub dua,  
Crashin' everywhere  
Sib dub dua, sib dub dua,  
A man like me won't care

Now is it day  
Or is it night  
I don't know really what is wrong or right  
Say is it you  
Or is it me  
It's the same 'cause we are free

I feel the earth moving,  
I see the stars tumbling night and day  
I hear the car stoppin'  
And worky five knockin'  
Far away

I'd like to meet you,  
I'd like to treat you  
As you like (as you like)  
It's no illusion,  
It's no confusion,  
That's all right (that's all right)

Sib dub dua, sib dub dua,  
Crashin' everywhere  
This rhythm is grooving like a heartbeat  
Sib dub dua, sib dub dua,  
A man like me won't care  
(That's my one I don't need more)

I feel my car moving,  
It's like a frog jumping  
Up and down  
The speaker stop crying  
And set my soul flying  
With the sound

Maybe it's raining,  
Maybe it's snowing  
I go on (I go on)  
I see you waiting  
Good time for sailing  
Join my soul (join my soul)
