

## I'll Be There

Silent Force

If I could see this through,  
so much to say,  
Here in a place I don't know  
If I'll get away,

I walk a line today,  
Wide, but blind  
You know it was somewhat,  
of my design

In my mind, I'll be there  
Comes a time,  
a time for us to share  
In my mind, I'll be there  
comes a time,  
a time for us to share  
a time for us to share  
someday

How can I leave you this way,  
a place so alone,  
If I could see you,  
there's a world unknown,

If my heart says,  
watch the time,  
You know it brings to mind  
a certain rhyme,  
All alone today, I  
I wipe the tear,  
think of the world away  
our world so near,

In my mind, I'll be there  
Comes a time,  
a time for us to share  
In my mind, I'll be there  
comes a time,  
a time for us to share  
a time for us to share  
someday
