If I could see this through,
so much to say,
Here in a place I don't know
If I'll get away,

I walk a line today, Wide, but blind You know it was somewhat, of my design

In my mind, I'll be there Comes a time, a time for us to share In my mind, I'll be there comes a time, a time for us to share a time for us to share someday

How can I leave you this way, a place so alone, If I could see you, there's a world unknown,

If my heart says,
watch the time,
You know it brings to mind
a certain rhyme,
All alone today, I
I wipe the tear,
think of the world away
our world so near,

In my mind, I'll be there Comes a time, a time for us to share In my mind, I'll be there comes a time, a time for us to share a time for us to share someday
