

## World Aflame

Silent Force

Are you there before me  
Placed so hard to find  
Or is it just a figment of my mind  
Why did you try and destroy me  
Is that the way it goes?  
I don' think I will ever be the same

Even your eyes-it seems to you is justified  
Even I despise-you don't even try to hide  
Your face, as you walk, thru the crowd, believing your:

Evil:You set my world aflame  
I hope that someday you feel the same  
You two you look, perfect in love  
Evil:You set my world aflame  
I wish that someday you'd feel the same  
You two you look, perfect in love

Played me like a fool  
Right before my eyes  
Took my heart and crushed me till I cried

I feet as though my life  
Had been sucked so dry  
Crashed around, stumbled till I die  
Even in your eyes---but to you it seems all right  
Even I despise---you don' even try to hide,  
Your face, as you walk, through the crowd, believing your...
