## **Whatever The Pain**

Countless Times I Have Been Shedding Tears and Bleeding Hate Countless Times I Have Had Against My Neck the Poisonous Blade

...Oh Come... With Me, Betrayed, Banished Take a Walk with Me... Shred Me, Hurt Me, Burned From Temtation to Dreams Drown Me, Despised, Shattered

Oh Whatever the Pain

Shallow Were Your Words to Me More a Serpent, Mere the Grace Shallow Were Your Eyes to Me Still I'd Kiss the Tears Off from Your Face

For Those Who Yearn for Darkness to Fall
