

## With Blood Adorned

Silentium

Oh It Behoved Me  
The Hilt in the Night  
Though My Heart May Falter  
I've Yielded to Fate  
Such Peace in Her Slumber  
Though She'll Never Wake

Black Swan Rising,  
Spreading Wings  
Forlorn by the Light of the Day  
Take Me, Wraith of Witchery  
Take This Pain, Oh Take Me Away

Oh It Betrayed Me  
The Mirage so Fierce  
Cursed and Tarnished Thine Name  
Yet She Hath Nay Wrought  
Foes Are Here My Dagger  
Adornments of Blood
