

Love You Down

Silk

Let me love you down
Love you down, love you down

Seen you around, laying around
Tonight you're feeling so hot
Trying to think of ways
How can I get you here to my spot

Oh, what am I gonna do?
'Cuz I'm still wanting you
That night we spent was forever

And baby, let me love you down
All the way down
Oh, and that's what I said
I'll be damned if I sit here alone
And you are killin' me softly
With your sexy sex appeal, girl

Let me love you down, baby
Early morn' 'til the break of dawn
I wanna hold you, kiss ya
Squeeze ya, touch you, love you down

Let me love you down, baby
Early morn' 'til the break of dawn
I wanna hold ya kiss ya
Squeeze ya, touch you, love you down, said

Come on in, sit on down
Let me just relax you
Blazin' to the sexy sounds
Tell me what you wanna do?

Can I get a kiss? Can I get a hug, please
Damn, do I have to get down on my knees, girl?
And you know and I know and we know
Where we wanna go, so

Oh, let's get down to business
'Cuz I've been waiting too long
It's gotta go down now with you

Let me love you down, baby
Early morn', 'til the break of dawn
I wanna hold you, kiss ya
Squeeze ya, touch you, love you down

Let me love you down, baby
Early morn', 'til the break of dawn
I wanna hold ya kiss ya
Squeeze ya, touch you, love you down

Oh, let me love you slow
Oh, let me stroke gently
You know, I know
Oh, you know I want to

You know what I need
I'll be loving you down

Let me love you down, let me love you down
Early morn' 'til the break of dawn
Let me love you down, baby
Early morn' 'til the break of dawn
Let me love you down

Let me love you down, baby
Early morn' 'til the break of dawn
I wanna hold ya kiss ya, squeeze ya, touch you
