

Please Don't Go

Silk

Please don't go
Please don't go
Away from me
Never leave oh no

Please don't go
Say you'll love me so
So, I will know
Baby, please don't go

If I could just explain
The death of all my name
My tears would fall like rain, oh

But you don't understand
Don't believe it hurts a man
Oh no, oh no

Please don't go
Don't take your love from me
Just say you'll never leave
Just promise and believe

Please don't go
Just say you'll love me so
So, love me, I'll know
That you will never go
Baby, please don't go

If I could keep you near
You would love me with out fear
And live a thousand years

Yes we would
But you said, you want to go
And why, I do not know
Oh no, oh no

Please don't go
Don't take your love from me
Just say you'll never leave
Just promise and believe

Please don't go
Just say, you'll love me so
So, love me, I'll know
That you'll never go
Baby, please don't go

No no no no no no
Don't go baby
No no no no no no
Please
No no no no no no
Please don't go

Say you love me babe

Say you'll stay
Don't go baby

Please don't go, don't go
Don't take your love from me
Just say you'll never leave
Just promise and believe

Please don't go
Just say, you'll love me so
So, love me, I'll know, I'll know
Baby, please don't go

Please don't go
Baby please don't go

Baby please don't go
Don't take your love from me
Just say you'll never leave
Just promise and believe
