

Just one look at your body
And my heart begins to pound
If you're looking good in everything you wear
I like having you around

And your lips and your smile
Girl, you know that you're driving me wild
I like the sexy way you wear your hair
Wanna take you everywhere 'cause you know you're looking so

Sexcellent
Marvelous
Eloquent
Like a real person

When I gaze into your pretty eyes
Girl you know you got me hypnotized
And when I get my hands on you
Lemme tell you what I'm gonna do, gonna give you loving

That makes your body tingle through and through
'Cause your lips, oh your smile
Girl you know that you're driving me wild
I like the sexy way, you wear your hair, wanna take you everywhere

I never ever had to dream about nobody else
'Cause you're my every thing, I want you all to myself
You know I gotta thank the Lord, above for sending me you
Baby, you make me whole and without your love I'm through

Sexcellent
So sexy
Damn, you're so marvelous
Eloquent
You're so magnificent, baby
You're sexy
Sexcellent
