Treated Like A Lady

Lady, lady I'm checkin' for you I'm checkin' for you Lady, lady You should be treated like

I've been seein' her at the bar lately She's been kickin' by herself lately But on the normal, I wouldn't be shady And try to pick up on someone else's lady, yeah

Oh, I said but she was all alone Oh, I was chillin' with my crew and Oh, I wanna take her home with me Shine her up with my rings, bling, bling

I said, oh, I wanna lick you on your toes and Oh, I wanna buy you jiggy clothes and Oh, I'll throw some ice up on your hand, girl Treat you like a real man can

You should be treated like a lady Oh baby, don't let him do you wrong Listen to the song, I said my word is bond, say You should be treated like a lady You should be treated right, baby, baby Don't let him do you wrong Listen to the song, it goes on and on Treated like a lady

Now I been waitin' here patiently Tryin' to figure out what to say I think I'll send you a drink 'Cuz you're lookin' so sexy

Can we catch up on things I think you ought to be treated like a queen And if you're receiving less than that You can always leave

Oh, she was all alone Oh, and I was chillin' with my crew and Oh, I wanna take her home with me Shine her up with my rings, bling, bling

I said, oh, I wanna lick you on her toes and then Oh, I wanna buy her jiggy clothes Oh, I'll throw some ice up on her hand and Treat you like a real man

You should be treated like a lady Climb on my rainbow 'cuz I promise fantasies If you come with me You should be treated like a lady We can do it on and on and on And on, on, on, on You should be treated like a lady Climb on my rainbow 'cuz I promise fantasies If you come with me You should be treated like a lady We can do it on and on and on And on, on, on, on
