You found me where the papers at, where the capers at
I don't ask for a motherfucking thing, I take the scratch
Look I, franchise wearing, a franchise wrist
I'm franchise look, I need a franchise chick
She ain't gotta be tight, she ain't gotta be that rich
She just like I tell the other bitches that my nigga's the shit
Black on black, step out the house
with a suit and a tie soon to die, black on black
Scratch a mack, scratch a jack, matter fact nigga I always stay strapped
It's the game plan, I gotta win, I can't afford to lose
I can't be dressin in them kinda blues can't afford to wear tight shoes
You know me, the nigga with the six four frame
With a six four cock back and hit your brain
You know the CEO nigga, ya'll done seen before nigga
See me get dope and don't tell a popo nigga
I don't give a fuck, I hate ya'll type
Yeah I might know ya but we ain't nothing alike

Now nothing move but the money, that's all I want
Nothing move but the money nigga, that's all I want
Nothing move but the money, that's all I want
I'm on top cause I do what ya'll niggas don't, look

Catch me playing ball with Shaq, and points from real how to act
I did a shootin' range, shoot the mack, when I bust for me to shoot back
See I'm nigga put the game that's why I'm on top
I can sit eight seasons cold even when it's hot
Come on drop the top for my Impala and shit
Nigga I'm out to get paper spit some dollars and shit
See how many ya'll niggas could follow this shit
I got an attitude fuck the whole world, I gotta get rich
Ahh, and cap niggas screaming shit, niggas gleaming the wrist
You seen the six, seen his wrist, nigga you seen his chick
This shit that ya'll spittin', it's meaningless
Everything ya'll claim you did, I done it
And if I got, man fuck ya'll nigga, I'm a flaunt it
And if I don't got it I motherfucking want it
Bitch I sold keys, I smoke weed at PE I got blunted
Fuck the hatin', I pull off that paper shit
Gotta love me or either motherfucking hate me bitch
Gotta hate my flow, nigga hate that I got dough
And if I spend it all bitch I can make some more

Keep it hot, I keep it locked, guns I keep it cocked
Runnin' on the shop like I runnin' on the block
Keep one up in the top, like one up in the drop
Spit till I spit, can't spit no more it don't stop
Like I live fast, I'm addicted to cash
Ain't a thief but sometimes I just forget to ask
I like say what the fuck I feel, nigga do what I want
If you don't like it, fuck, fine, nigga we can take it to the trunk

And I get the spittin' in your brand new six
Spittin' if you even with your motherfucking chick
Spittin' if you with you motherfucking click
But fuck it I'm just spittin, I'm just spittin the spit
Fuck it thick, yeah nigga what
Fuck that, fuck, fuck, fuck, fuck, fuck, I told yall

You only live once so like I floss my shit
Give to the poor, a nigga like floss on a wrist
