

## Just 'B' Straight

Silkk The Shocker

People always talkin 'bout  
(I'm what, say what? I'm what, say what?)  
You're a hustler  
(I'm what, say what? I'm what, say what?)  
I don't care what the others think,  
just be straight with me (I'm what say what?)

Huh? Huh? Huh?  
I know I take chances to make sure I'm sittin tight  
do I get how I live, sometimes I don't get it right  
my gold and platinum plaques make you know what we did  
have the whole world wonderin what Silkk The Shocker, Master P did  
see it ain't no limit, it's only the beginnin  
why cuz all y'all want us to fall, and hit the wall  
it'll only take a minute, an see I gets the bomb tree  
Beats By the Pound shit, it sound sick, rolex, and baguettes all  
I take this out the ghetto an live up on top  
akin flights, an shoppin sprees, on 504 yachts  
see money don't change me, make me live a lil bit good  
took some of my, family members, an my homies out the hood  
see we ghetto millionaires, far away when we meet  
i think they watched us P cuz about when we speak  
see I'm too deep to change, everybody know my name  
I guess I gotta charge it 2 da game

UGHHH! Green money, I like to count honey,  
my only bad habit that I like to sell B's honey  
we hot check the Billboard spot  
24 g's an P's to make a club rock  
now they violent, gotta get it rowdy  
peep game gotta Benz, Lex Luger in or out it  
don't hate me, the money don't make me  
it's gonna take 200 million just to break me  
cuz I'm a soldier, I thought I told ya  
I like that doja, but hate the rollers  
Crystal, greed, an hinace, got cream  
makes a brother in a Bentley, from the ghetto  
there ain't no limit cuz we livin large  
bought a rolex, a yacht with a gold card  
you done lately, your girl wanna date me, in my grill  
for, UGHHH! an I'm straight g

I guess they call me a hustler, cuz of the fast livin  
but if I see somethin I gotta get it, because I have vision  
an if I like it, I gotta get, if I saw it  
went from, over the shows, over the doors  
house full of floors that's marble, a brand new Ferrari  
parked it, when I bought it, see I'm a no limit soldier  
an I came to get it started, what you, what you think,  
I'm all about my bank, tryin to be a multi-millionaire  
before I'm old enough to drink, now we can ride bro, no lie bro  
see nobody be here beside us, so go ahead an fire it up  
some girls wanna perk it, my homies like to work it  
soldiers from Texas, all the way to Jersey  
tick to the tock, all around the clock  
from the north, to the south,  
to the east, to the west, it just don't stop

so to all my real g's, throw them up high  
to all the ballers that have the corks of Crystal let it fly  
that's how we live

No Limit say what? I'm what say what?  
New Orleans say what? I'm what say what?  
South side say what? Ugh! I'm what say what?  
East side say what? I'm what say what?  
West coast say what? I'm what say what?  
North side say what? I'm what say what?  
Silkk The Shocker say what? I'm what say what?  
No Limit say what? I'm what say what?  
Ha ha, playas, congratulate,  
ain't no hatin on this side, where the money at?  
That's what hustlin is about, you heard me?  
Master P, Silkk The Shocker, hustlin till the izend,  
movin thangs how we get it, we gonna get it, how we livin.
