## Let Me Hit It

## Silkk The Shocker

Oh Yea I aint trying to come at you wrong(let me hit it) I wanna know if its cool(504 boys wanna hit it) 2 of my boys(man we) Let me hit let me get it let me hit let me hit (let me hit it) I went in the room and saw a girl I aint seen in a long ass time I said how you doing what cha doing Damn you got fine I dont know about you but dis its cool to fuck actually it being night my whole life its cool to fuck ? brand it and sand it what plan b so let get let me hit it (take this) fucking right he did lets start this Im still heartless dont fall in love I think you heard got baby like record label drop artist I think that shit love better somtin nice lil preppie chick but I still wanna wrap bets night than a hug Im bout to get as a motha fucka guard tha sets and get it come back now roll it fat and let me hit (pass the weed) Let me hit Let get it turn around give it to already know what I want Fuck all that beat around tha bush make up yo mind Bitch do what you dont 9 times out of 10 them jackers sit here probally you dont id rather pull a bitch drows to the side and smell here funky pussy stunk I aint tripping on the stupid Id rather have a good time in this bitch trying to get my smoke on

what you got cigarettes (ah thats it the bitch got to be stopped hold) I still got a guard left over from last night Damn I like to forgot I dont blow no joes But inhale some weed smoke Id rather be hitting you from the back if you really dont know she said my periods down Ita be gone in a minute then she said I thought you had some weed then tha bitch said let me hit it
