So you niggas need tah step the fuck off
Before I leave ya'll niggas in a bag

What you came here to do? (SHOCK THE WORLD)

It's time to flip a script
and turn a half into a million
and turn a hoe
into a zillion
my game be tight like the bulls
and after my shows there ain't NO LIMIT to the hoes I can pull
Girls be sweatin' me like Im'a bandana
My lyrics so gangsta the police keep them on the radar scanner
But I be tight like the Titanic
while ya'll suckas sellin' wammys
we on our way to the Grammys
3rd ward brothers that came up
Keep my name out yo' mouth
like Messy Marvin I'm gonna wipe you up
And yo' game better be tight
Cuz ain't no luv where I'm from from morning to night
Fools be bout it they be rowdy
Still puttin' money in the bank like Uncle Sam
And taxin' fools, dead
All ya'll suckas on the block are tryna stop me
Can't fade me
And me and Silkk be livin' large
Sippin' on mo wet but strapped with the plastic toys
Down South we be hustlin'
Settin' the line behind bustas that we ain't trustin
Ya'll better wake up and smell the aroma
Cuz we doin this from Down South to California

The Shocker, haha
