Keep your head up boo, Girl feel me, and if you love me, you gon' love me till they kill me Girl feel me, girl feel me, I'm a thug, but love me till they kill me Girl feel me, feel me, I'm a thug, but girl, love me till they kill me Feel me, girl feel me, and if you real, you gon' love me till they kill me Your friends try to tell you bout the things I do, They say I'm just too damn hard for you, All your friends think I'm just too thuggish for you, But I can do what no other man can do Look See Wanna let this thuggish nigga in? Scared of the life, that I lead Can't change addicted to smokin' weed, Can't change addicted to havin' g's, See, you wait patient knowin' you could be draped in gold I can't deny, me an' you go together, like daytons, and vogues It's hard to find a true girl, that's a soldier See when I was in jail, you come see me When I was at home, you come over And see, you don't like to gamble, But this one you can win Knock knock on the door Knock knock once more This thuggish g's in It's just the thug in me, girl They say I'm making too much cash It's just the thug in me, girl They say I'm living much too fast It's just the thug in me, girl Your friends say I'm just too bad It's just the thug in me, girl Your people hope this thing wont last Girl feel me, girl feel me And if you real boo, you gonna be there till they kill me Girl feel me And you were just too damn ghetto for me, (Girl feel me) All my friends thinkI'm just too good for you (But if you love me, be here till they kill me) I always think of ways to be with you (Girl feel me, or love me till they ki 11 me) Oh baby I guess it's just this thug livin' Got so scared, don't give me a hug Don't let your guard down, till one day, you might fall for this thug Pendin' the chances tryin' to get rich You don't even much trip But you get mad, when I call, females a bitch When I first met ya You were so, ha, scared to react But now when there's drama, you talk about step back

And pass me the strap
It's so much pain, in this game
When I close my eyes
I'll be mad at the world, sometimes I take it out on your thighs
Now I wanna change
But I can't stand being broke
So if you wanna be there for me,
Just sit back maintain, and cope
