You just get P on the phone

C'mon..

Yo, 2000 nigga (2000 nigga)
3 Strikes (next millenium)
No Limit, thugged out Silkk the Shocker what?
Let me tell y'all somethin (what, what, what?)

Let me tell you why I'm a rich nigga
cause I don't fuck a bitch, nigga plus I flip quicker
(?) is what I have, but I can some account me six figures
and then, y'all niggaz do the math
If it was the first time I'd try it again
Brought checks that can buy me a Benz
And for the rumors I'ma cut it short right now, look
Me and Mya, we just friends
I'm Silkk, the, Shocker, call me Shocker for short
You can catch me thuggin the West coast
either catch me, shop in New York
Either poppin the cork on the Cristal
and then let a thug, diss while a nigga banked up
Summertime tanked up, shit
Wintertime, minked up
Be drivin a Ferrari with a tan cover
Niggaz screamin fuck you cowards, (?) in nine-nine
for two-thousand shit the same color
When I come through I come through rowdy (ROWDY)
When I come through I come through bout it (BOUT IT)
When I come through by the ones, I be comin through
by the thousands, nigga better back up
Deal with a jack, now keep the money where the tank at
And when ya hate y'all (?) to hate me,
kinda like expect that
See all it take for me to flex the trigger
is when dollars involved gotta X a nigga
because it's like, "Money Cash Hoes" like DMX and Jigga
