

Anthem for the Year 2000

Silverchair

We are the youth
We'll take your fascism away
We are the youth
Apologise for another day
We are the youth
And politicians are so sure
We are the youth
And we are knocking on death's door
Never knew we were living in a world
With a mind that could be so sure
Never knew we were living in a world
With a mind that could be so small
Never knew we were living in a world
And the world is an open court
Maybe we don't want to live in a world
Where innocence is so short
We'll make it up to you
in the year 2000 with...

Never knew we were living in a world
With a mind that could be so sure
Never knew we were living in a world
With a mind that could be so small
Never knew we were living in a world
And the world is an open court
Maybe we don't want to live in a world
Where innocence is so short

We'll make it up to you
In the year 2000
Build it up for you
In the year 2000
Make it up to you
In the year 2000
Build it up for you
In the year 2000 with you

Never knew we were living in a world
With a world that could be so sure
Never knew we were living in a world
With a mind that could be so small
Never knew we were living in a world
And the world is an open court
Maybe we don't want to live in a world
World who cares at all

We'll make it up to you
In the year 2000
Build it up for you
In the year 2000
Make it hard for you
In the year 2000
Build it up for you
In the year 2000
Make it hard for you
In the year 2000
Build it up for you

In the year 2000 with you
