

# Black Tangled Heart

Silverchair

Maybe your luck has changed  
Settle down  
Maybe I'm just deranged  
And on the rebound  
Maybe love was the thing  
Holding me back from all  
Maybe I'm just the thing  
To break my own fall  
Take the rope to my heart and fall  
You may just be the last before you  
See the black tangled heart fall

Maybe departure's good  
Makes room for more  
Start to mass produce  
For a chance to ignore  
Maybe you'll kill yourself  
Before I get a turn  
Maybe I'll fall in love  
And never learn

Take the rope to my heart and fall  
You may just be the last before you  
See the black tangled heart fall

Take the rope to my heart and fall  
You may just be the last before you  
See the black tangled heart fall
