

# Blind

Silverchair

I need to get out.  
There's something wrong 'round here.  
I have no doubt  
We're all really down from fear

Everything's dark,  
And I cannot find  
What I've been looking for,  
So I have to say I'm blind.

But he cannot see  
But he cannot see  
Yeah...

If you do  
Shed a tear,  
Don't come to my place because I,  
I won't be here.

There's no love lost between you and me,  
And that's the way that I like it.  
I wanna live life like a normal man,  
And I think I can, yeah.

But he cannot see.  
Yeah, he cannot see, he's blind!  
ohh...yeah...  
ooh...fuck...yeah...alright...

I'm blind.  
Ohh, I'm blind.
