

No Association

Silverchair

You've never wanted to know me before
Little or no association
Leave me alone, I want to live
Stop sucking the blood right out of me

Couldn't care less if I died right now
Who am I?
I don't know, you tell me
You seem to know everything else

Need a pathway need a guide
Contemplating suicide
Wish I could be like you
You say you care, but do you?

Do you?
