Steam Will Rise

Silverchair

Contain yourself
I will compress
What I am to
Replace yourself
With what you have
Your substitute
Only wanted a piece of myself
Steam will rise
Esteem will rise
Esteem will rise
Esteem will rise

Refrain, confess Contain, repress Pretend I'm dead Abuse myself Confuse myself I won't be led

Only wanted a piece of myself
Only wanted a piece of myself
Only wanted a piece of myself
Steam will rise
Esteem will rise
Steam will rise
Esteem will rise
