

Stoned

Silverchair

Sitting in my bedroom
You know I'm spinning
Haven't got much headroom
But I'm only living

When I'm like this
I can only just say
Why did you get me into this shit
Help me get out of it now
I don't know what you will allow
You've got me... stoned
Sitting in my bedroom spinning
Stoned, yeah
You've got me stoned
Sitting in my bedroom spinning
Stoned, yeah

When is this feeling gonna wear away
I know the devil's looking up at me
I hope this feeling's not gonna stay,
You know
You've got me stoned
Sitting in my bedroom spinning
Stoned, yeah
You've got me stoned
Sitting in my bedroom spinning
Stoned, yeah

You've got me stoned
Sitting in my bedroom spinning
Stoned, yeah
You've got me stoned
Sitting in my bedroom spinning
Stoned, yeah
You've got me stoned, yeah
