The Greatest View

Silverchair

You're the analyst The fungus in my milk When you want no one And you got someone Through the wind You crawl And laugh at burning dunes When no one else will Ever see

Now that you know why you feel like you do They're turning their head whilst they wait For no one And finally I know why you feel like letting go

I'm watching you watch Over me and I've got The greatest view from here I'm watching you watch Over me and I've got The greatest view from here

Mistakes don't mean a thing If you don't regret them So pack your tactic toes for the winter Chain a waterfall to burned and withered skin No-one else will ever see

I'm watching you watch Over me and I've got The greatest view from here I'm watching you watch Over me and I've got The greatest view from here

Now that you know why you feel like you do They're turning their head whilst they wait For no one And finally I know why I feel like you're letting go

I'm watching you watch Over me and I've got The greatest view from here I'm watching you watch Over me and I've got The greatest view from here The greatest view from here The greatest view
