

# Always and Never

Silverstein

This was my fate, giving in  
To your lips, to your eyes  
I should have known  
It would come back to haunt me  
Crooked smile, the reflection in your eyes  
That shows my weakness for  
Beautiful mistakes,  
Something that I know you've seen before,  
I'm not the first  
Set the trap, I'm falling for it every time

I can't believe  
Everyone knew from the start  
This would come back to haunt me  
I can't stand to see you now!  
How could I ever trust you?

Take it back to the streets,  
I'll start again  
I'll never look back,  
I'll never look back, back

How do you feel?  
I bet you don't feel anything!  
Don't have a heart attack  
Don't have a heart attack  
But I won't stop you

Flying high, razor blades make perfect lines,  
On just about anything you want  
Broken pores spill out, everything you want to say,  
It shows my weakness for

Falling in love with  
My wallowing despair that shines in black  
It consumes me, I'll take it back  
I'll build it back to what it was

I can't believe everyone knew from the start  
This would come back to haunt me  
I can't stand to see you now!  
How could I ever trust you?

Take it back to the streets,  
I'll start again  
I'll never look back,  
I'll never look back, back

How do you feel?  
I bet you don't feel anything!  
Don't have a heart attack  
Don't have a heart attack  
But I won't stop you

I can't believe everyone knew from the start  
This would come back to haunt me  
I can't stand to see you now!

How could I ever trust you?

Cut me out, of your life  
Like its nothing, like I'm nothing!  
Make believe you can love,  
That it's better, that your better!

Part of me is gone  
You've taken  
You've taken  
You've taken  
You've taken

Part of me is gone,  
You've taken  
You've taken  
Peices from me

Take it back to the streets,  
I'll start again  
I'll never look back,  
I'll never look back, back

How do you feel?  
I bet you don't feel anything!  
Don't have a heart attack  
Don't have a heart attack  
But I won't stop you

You won't stop, you'll never change  
You won't stop, you'll never change
